

# PREMIER Coronary CTA Board Review & Cardiac CTA 50 Case Course

**BEST VALUE - BEST QUALITY  
80% PASS RATE!**

## Comprehensive CME Course Features

- Special focus on how to answer all the CT physics questions
- Covers all technical aspects of Cardiac CTA including dedicated, clinical protocol discussions and question based tutorial not well covered by other reviews
- Examination, through didactic lectures, image based case examples and review of the research literature in cardiovascular CT
- Interactive imaging review sessions and self-assessment questions aimed to pass the CBCCT Board the first time
- Simulated Board exam style - including an interactive audience response system

**Do you want to pass your Coronary CT Boards?  
Do you know your CT Physics?**

**Intense learning experience in small group setting with full interactive learning format!**

**Learn from the most experienced lecturers in the field with many years of teaching and test preparation skills!**

**Course Location:**  
Renaissance Orlando Hotel Airport  
5445 Forbes Place, Orlando, Florida 32812  
Reservation: 800-228-9290  
www.renaissanceorlandoop.com  
Special Group Hotel Rate: \$99 (free parking for the guest)  
Mention: UF College of Medicine  
24 Hour Free Shuttle Service (only 5 min. drive)

## Board Review Course Dates:

May 15-16, 2010  
August 28-29, 2010  
Saturday: 7:00AM-7:30PM  
Sunday: 7:30AM-7:00PM

## Cardiac CTA 50 Case Course Dates:

May 13-14, 2010  
7:00AM-7:30PM

**Appropriate Indications for Coronary CTA**  
Norbert Wilke, MD, FACC, FESC  
Following the Guidelines  
The American College of Cardiology, Inc.

**Norbert Wilke, MD, FACC, FESC, FSCCT**  
Clinical Associate Professor of Radiology  
Clinical Associate Professor of Medicine (Cardiology)  
Diplomate of CBCCT  
Cardiovascular MR & CT Services,  
University of Florida, Gainesville, FL

**Jim Adams, MD, FACC**  
Cardiovascular Associates of Marin and  
San Francisco Medical Group, Inc.  
Diplomate of CBCCT  
San Francisco, CA

**Manuel Arreola, PhD, DABR**  
Director of Clinical Radiological Physics  
Assistant Professor, Department of Radiology  
Affiliate Professor, Nuclear & Radiological Engineering  
University of Florida, Gainesville, FL

**Jeff Fine, PhD,**  
President/CEO, J & J Medical, LLC  
Columbia, SC

## Course Fees:

- \$1500 (Board Review)
- \$1500 (Cardiac CTA 50 case Course)
- \$2500 (50 case & Board Review-Combined)
- \$800 Fellows & Re-takers:
- \$1600 Fellow & Re-takers - (Combined)

add late fee of \$400 after April 14 for May Course and July 28 for August Course

**Target Audience:** These courses are targeted for cardiologists and radiologists who are preparing to take the cardiac CBCCT Board Exam.  
**Cancellation Policy:** You may transfer to the next course, send a substitute, or receive a refund. Fees, less a \$50 processing charge, will be refunded if the UF CME office receives written cancellation 5 days prior to the course. In the event that the course is canceled, a full refund will be given. The UF Continuing Medical Education office is not responsible for non-refundable travel fares or lodging deposits. The CME office may be reached by writing to UF CME, PO Box 100233, Gainesville, Florida 32610-0233, or by calling (352) 733-0064. Fax: (352) 733-0007.  
**Accreditation:** The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.  
**Credit – CT Board Review:** The University of Florida College of Medicine designates this educational activity for a maximum of 20.5 AMA PRA Category 1 credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.  
**Credit – CTA 50 Case Course:** The University of Florida College of Medicine designates this educational activity for a maximum of 20.25 AMA PRA Category 1 credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## ~Testimonials~

This was an excellent Cardiovascular CT board preparation and case review course. The combination of intensive case study followed by the comprehensive board review was invaluable in helping me pass the exam. The smaller, more intimate class size allowed for more personalized exam preparation. I was impressed with the caliber of the outstanding faculty who were genuinely dedicated. I would highly recommend this course to anyone attempting the CVCT board exam. William Suhr, MD, Illinois, USA  
Just before the CCT boards this is the best course to take since it is very question and answer oriented as the lecturer while teaching the basics goes over what kind of questions will be asked. I passed because of this course. If you take this course and go over the Q&A book you are sure to pass. Sanjay Vohra, MD, Nevada, USA
